FOREWORD

Allah's Name (we) begin with, The Compassionate Most Merciful

All Praise is due to Almighty Allah Who by His Divine Mercy has kept ready for the Believers the Blissful Gardens of Paradise. Peace, Blessings and Salutations upon the Beloved Rasool Sall-Allahu Alaihi wa Sallam Who is indeed the Owner of the Blissful Gardens of Paradise by the Will of Allah. Peace and Blessings upon His Sall-Allahu Alaihi wa Sallam Noble Family who are fragrant flowers from the Blissful Gardens, and upon His Sall-Allahu Alaihi wa Sallam Companions, who are pearls of the Blissful Gardens, and upon all those who are destined to enter the Blissful Gardens.

Alhamdu Lillah, I was very pleased to hear that my Brother in Deen Hazrat Maulana Shakeel Ridawi Saaheb has transliterated the entire Hada'iq-e-Bakhshish (Gardens of Bliss) of Sayyidi Aala Hazrat Ash Shah Imam Ahmed Raza Khan Radi Allahu Anhu. This is a great achievement and something which was long overdue. He has filled the vacuum by initiating and completing this blessed task. This book will certainly be very helpful to those who cannot read Urdu, but have the zest to recite Hamd, Na'at and Manqabats.

We find reciters reading the Kalaams of those who have no care about what they write, often writing couplets which are incorrect and sometimes even leading to kufr.

The great scholars have always encouraged the reciting of Kalaams of the Buzurgaane-e-Deen, like those of Sayyidi Aala Hazrat Radi Allahu Anhu and Sarkaar-e-Mufti-e-Azam Hind Radi Allahu Anhu etc. However, these were not easily available for the non-Urdu readers, thus making it difficult for the non-Urdu readers, who depend on transliterations.

In presenting this transliteration, Hazrat Mohammed Maulana Shakeel Saaheb has made it very simple for those who now wish to read these blessed Kalaams. Allah bless him and accept his grand effort, and bless him with the best of rewards through the blessings of Nabi Kareem Sall-Allahu Alaihi wa Sallam. Aameen

COMPILER'S NOTE

All Praise is due to Almighty Allah, The Creator and Sustainer of the Universe. Peace, Blessings, and Salutations, upon him whose excellence is above the entire creation and who has been blessed with being Imam ul Ambia. Peace and Blessings upon his Beloved Companions, who are the manifestation of his blessings, and upon his Noble Family who are the Gates to the City of His Love, and upon the Awliyah-e-Kiraam and Ulama-e-Izaam, especially upon his beloved descendant, the Imam ul Awliyah, Sayyiduna Shaykh Abdul Qadir Jilani Radi Allahu Anhu, and upon all those who follow in his way with sincerity.

By the Grace of Allah, the Mercy of Sayyiduna Rasoolullah and the Karam of Ghauth-o-Khwaja-o-Raza, and my Masha'ikh especially Huzoor Sayyidi Taajush Shariah, Huzoor Sayyidi Muhad'dith Kabeer and Huzoor Syed Shah Turabul Haq (Alaihir Rahma), you have before you a transliteration of Hadaiq-e-Bakhshish of Imam Ahmad Rida Khan Radi Allahu Anhu.

Anyone who loves RasulAllah (Sallallahu 'alayhi wa Sallam) will naturally love Ala Hadrat Azeemul barkat Radi Allahu Anhu. His religious poetry is so emotionally charged with the love of RasulAllah (Sallallahu 'alayhi wa Sallam) that he makes one weep, he melts the hardest of hearts. His blessed maqbool poetry is such that in places it makes one cry and long for the permission to present oneself in the blessed court of the Most Beloved Sall Allahu Alaihi wasallam and in places makes one smile in his love.

His collection titled Hadaiq-e-Bakhshish, is a collection of his poems in praise of the Holy Prophet (Sallallahu 'alaihi wa Sallam), and in praise of Huzur Ghous al Azam Sheikh Abdul Qadir al Jeelani Radi Allahu Anhu, in Urdu, Arabic and Farsi. Since it deals in Kalaam-e-Ma'rifat, only the blessed can truly understand its inner spiritual meanings.

His religious poetry, consists of over 120 kalaam. His Salaam in the Blessed court of the Holy Prophet (Sallallahu 'alaihi wa Sallam), which is recited standing, is the world's most memorable Salaam in the Urdu language, and the longest Salam in any language

with 171 couplets, and millions of Urdu speaking Muslims know at least its opening couplet by heart:

Mustafa Jaan-e- Rahmat peh Lakhon Salaam
Sham-e- Bazm-e- Hidayat peh Lakhon Salaam

This Salaam is spontaneous and overflowing as if inspired with ilham. It is recited by muhibbin at the Blessed Rawda of RasulAllah (Sallallahu 'alayhi wa Sallam) in Masjid an-Nabawi, as well as at the end of every religious gathering in Masaajids and homes around the world. It is musk-scented and rose adorned with the love of RasulAllah (Sallallahu 'alayhi wa Sallam). It is recited from Baghdad Shareef to Bareilly Shareef, From Ajmer shareef to London, from Lahore to Toronto, and from Mombasa to Chicago, indeed all over the world.

I pray that this compilation serves as a means of Blessing for those who read it, and increases our Love for The Most Beloved ﷺ.

I want to sincerely thank Hazrat Mufti Afthab Caasim Sahib Qiblah (Durban, South Africa), Hazrat Mufti Zahid Husain Qadiri Amjadi (Preston, UK) and Mowlana Riaz ul Mustafa Amjadi (Karachi, Pakistan) for their duas and valuable suggestions.

Also Brother Zaahed Hussain and Brother Asif Mahomed Hussain (Johannesburg, S.A) Brother Abdul Musawwir and Brother Abdul Mujeeb (Dar el Salaam ,Tanzania) Brother Afzal Mangal (Holland) brother Abdul Rauf al Qadiri (Chicago, usa) and all other members of the team, for proofing, editing and making valuable suggestions to this document. I pray through the Wasila of Nabi Kareem ﷺ that Almighty Allah rewards them all with the best of rewards. Ameen.
